

# PORTFOLIO

2024

1

# Hello,

**I'm Shreya**

Web Developer

Experienced WordPress Developer with 2 years of hands-on expertise in developing and managing WordPress websites. Proficient in utilizing the WordPress platform to design, customize, and optimize websites. Skilled in HTML, CSS, and JavaScript, with a strong understanding of responsive design principles.

# Education

## SRPUC Ramakunja

Completed Pre-University education with a commendable 86% aggregate in the disciplines of Physics, Chemistry, Mathematics, and Biology (PCMB).

## 2017-2021 Vivekananda College of Engineering and technology, Puttur Karnataka

Successfully attained a Bachelor of Engineering in Computer Science and Engineering, graduating with distinction and earning a CGPA of 7.9.

# Experience

## GS Tech Technology

Proficiently designed and developed over 20 websites and extension landing pages using Elementor, Avada, and Newspaper builder. Specialized in troubleshooting website issues, and conducting performance tests. Demonstrated expertise in creating effective landing pages for Chrome Extensions. Adept at monitoring and enhancing the front-end design for optimal website performance

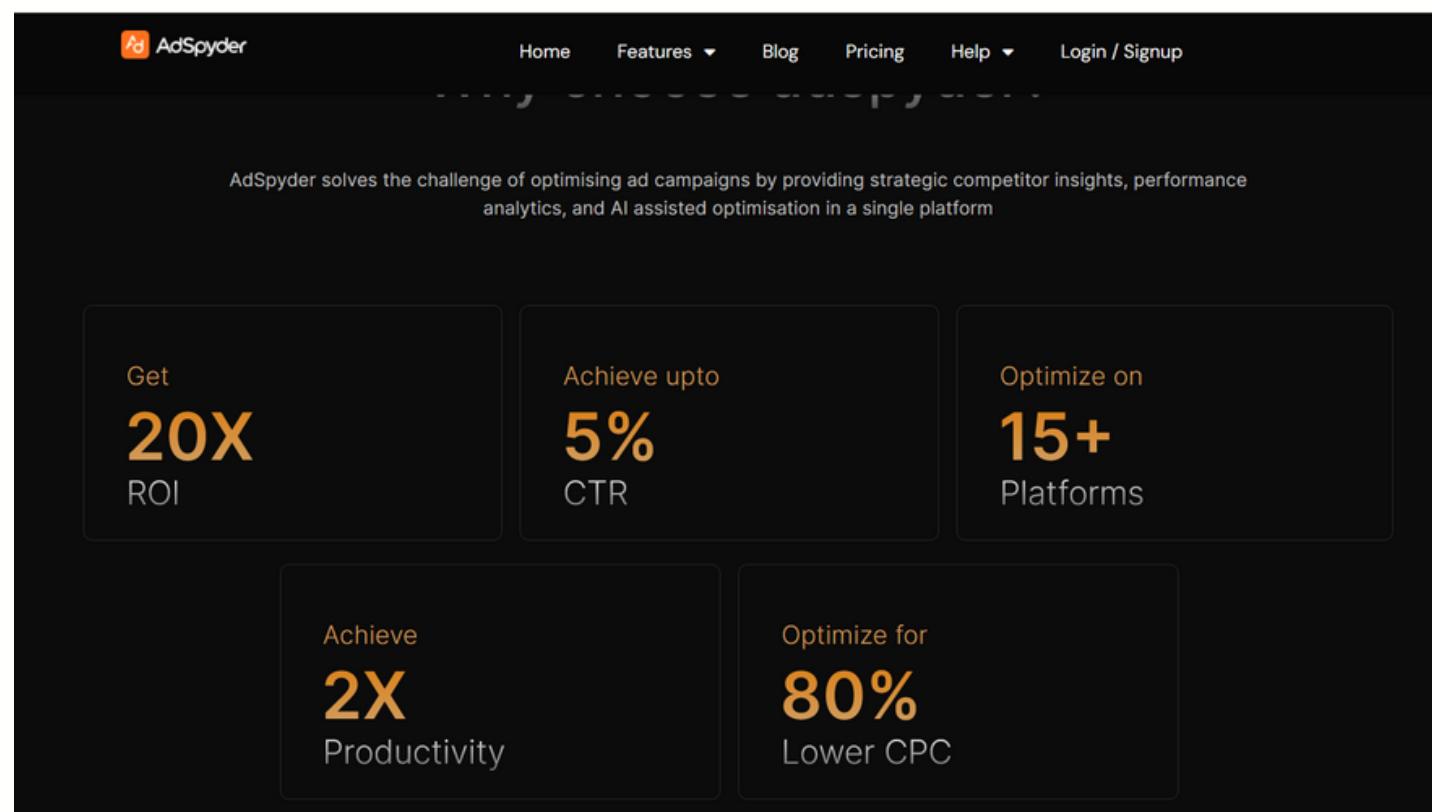

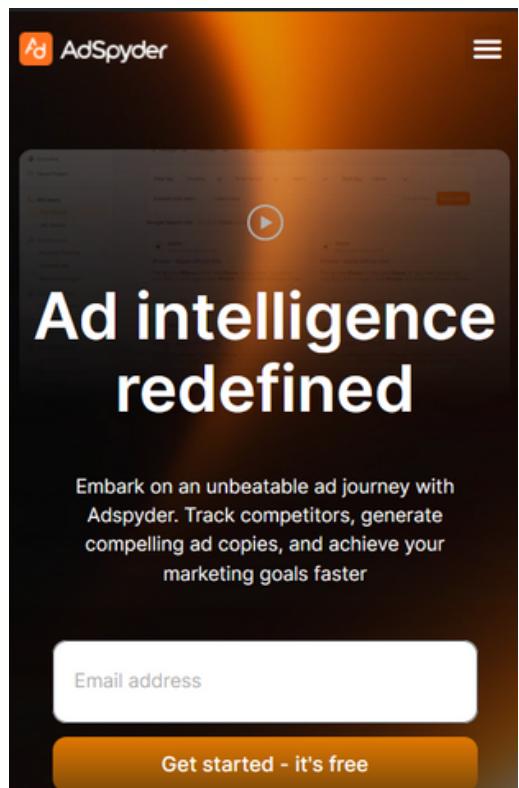

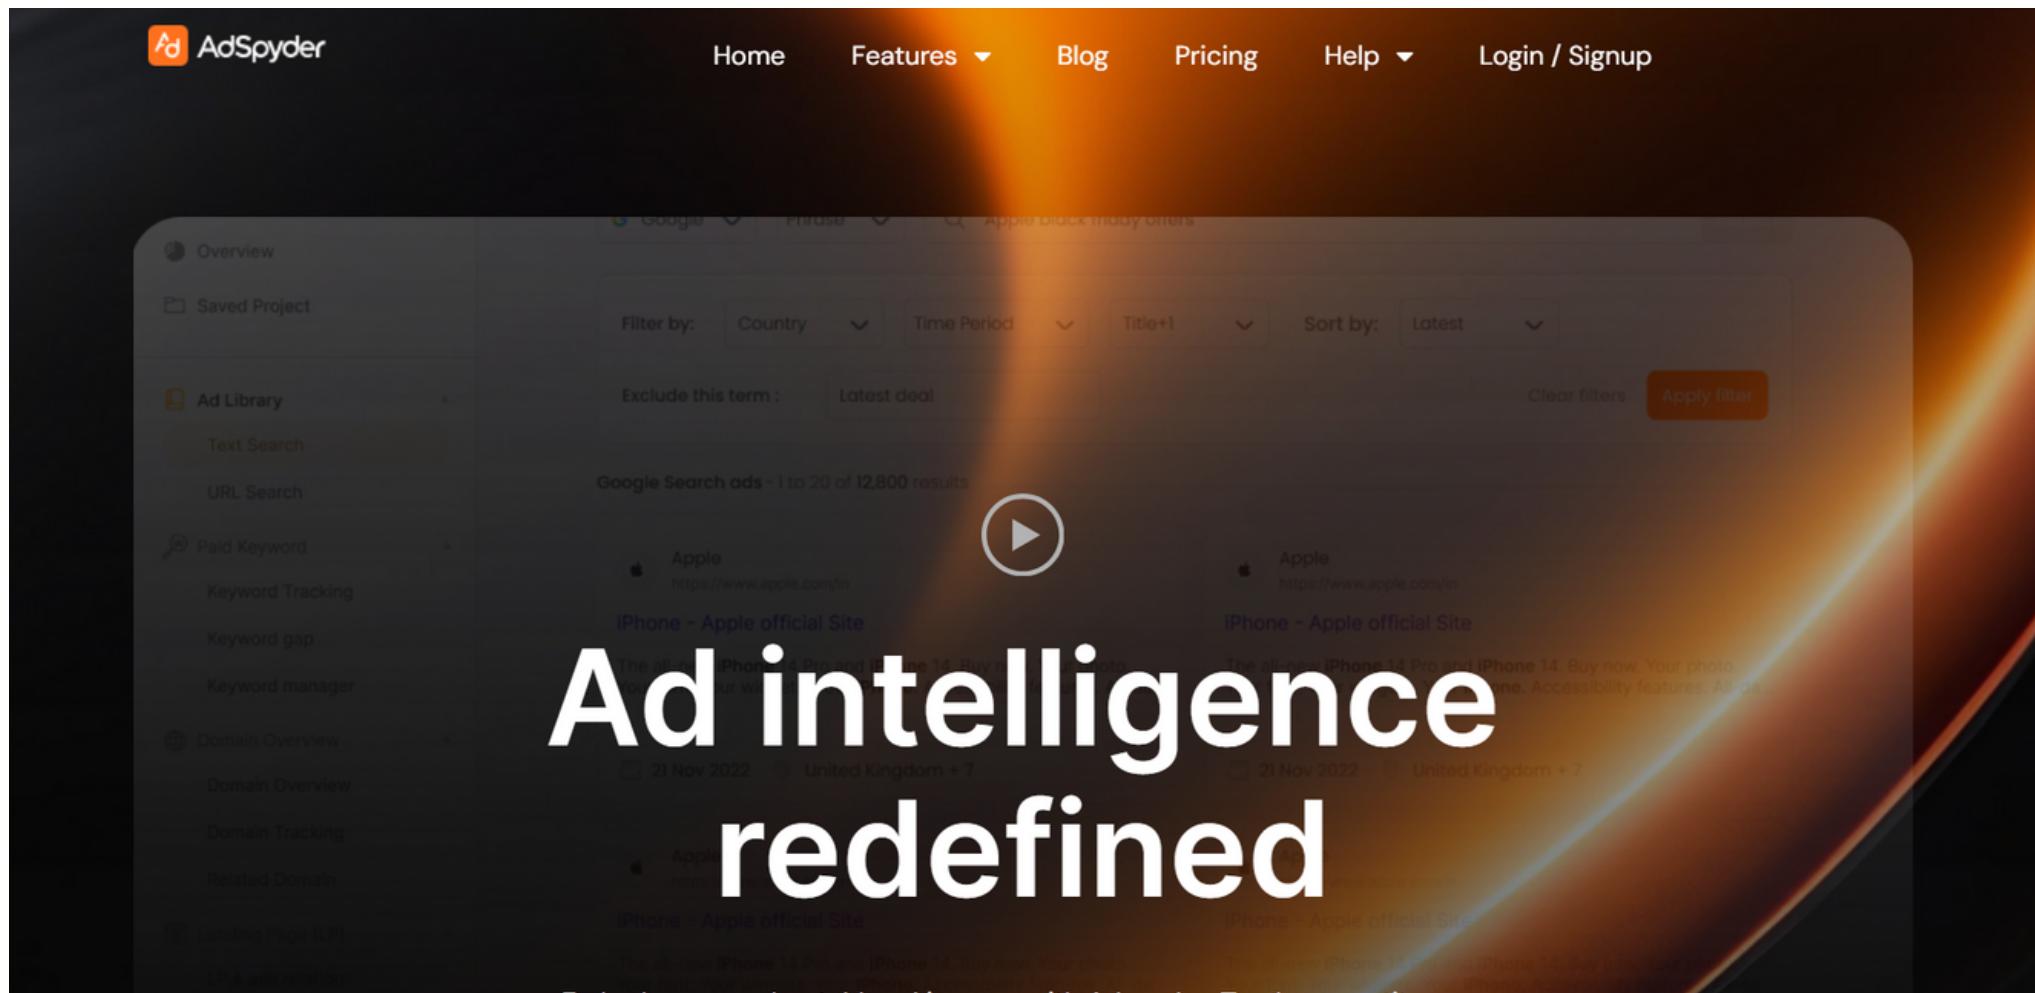

## The Web People LLP

Successfully conceived and launched 15+ responsive websites, specializing in news platforms, utilizing Elementor builder. Proficient in front-end development using WordPress, HTML, CSS, and JS, with expertise in creating wireframes and generating WordPress themes and plugins. Conducted comprehensive website performance tests, implemented custom-coded sections, and ensured web accessibility compliance through WCAG guidance. Adept in troubleshooting content issues, collaborating with clients to discuss design and functionality, and executing SEO, AMP, SMTP setup, as well as pre and post-launch website configurations.

4

# Adspyder

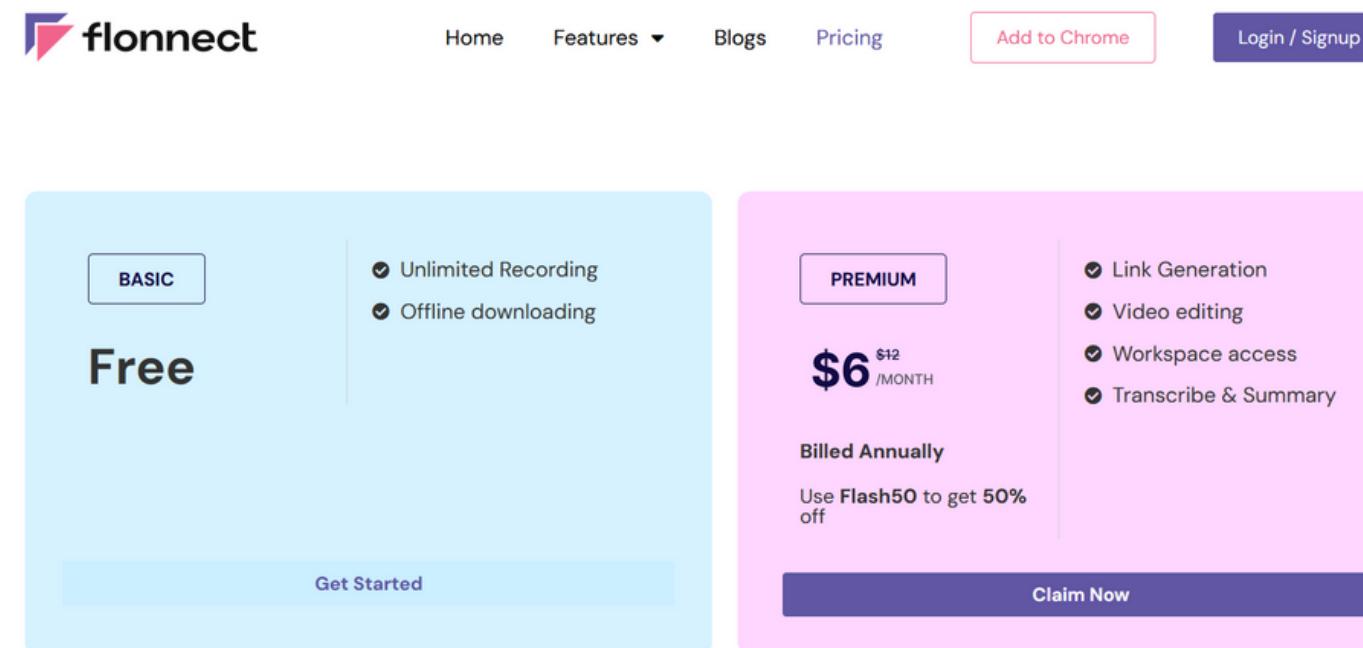

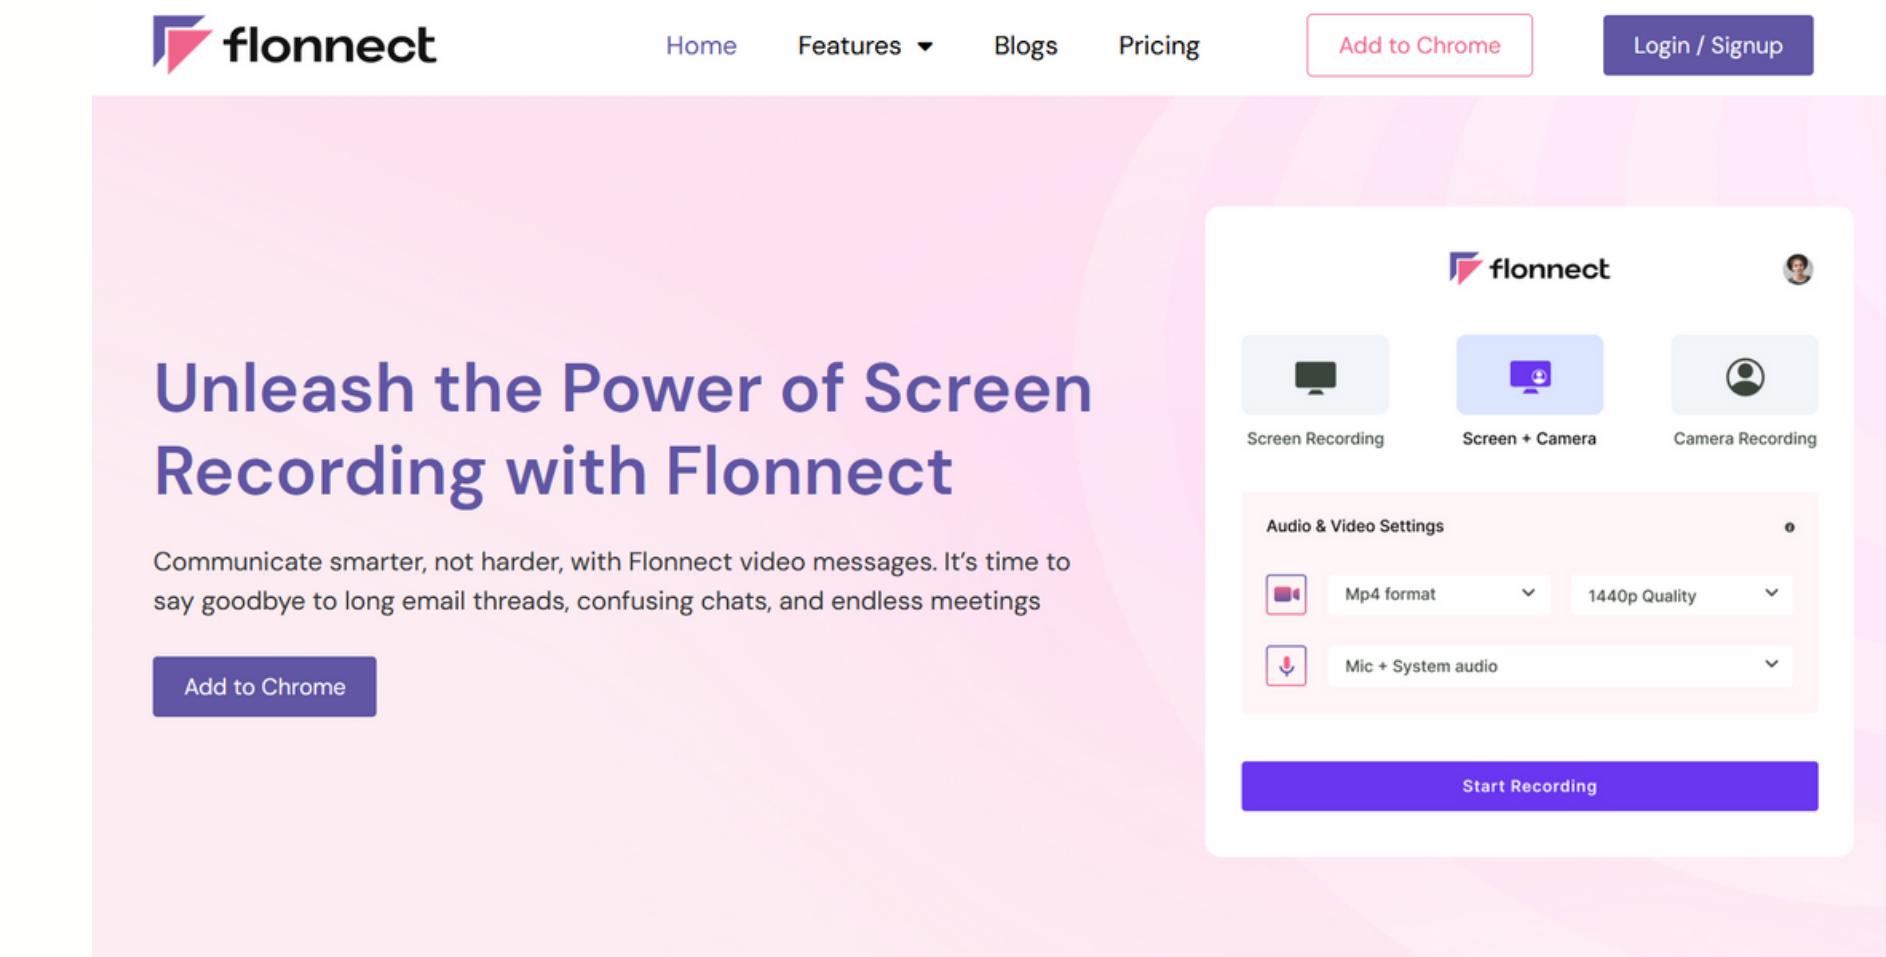

- Successfully transformed high-bounce-rate landing pages for the AdSpyder website into engaging and user-friendly designs, resulting in a significant increase in user interaction and extended average engagement time.
- Proficient in integrating multimedia elements, such as videos and GIF files, to enhance website content and user experience.
- Proven ability to optimize web design and functionality, leading to measurable improvements in website performance and user engagement for clients.
